### RELEASE OF LIABILITY & RENTAL AGREEMENT

**PLEASE READ CAREFULLY BEFORE SIGNING: In consideration of Loon Mountain renting me this equipment:**

- I accept for use AS IS the equipment rented, and accept full responsibility for the care of the equipment while it is in my possession. I will be responsible for the replacement at full retail value of any equipment that is not returned to the shop. I understand that Equipment Breakage Insurance, if any, only covers damage incurred during normal use. I agree to return all equipment by the agreed date in clean condition to avoid any additional charges.
- I have received instructions on the use of the equipment and fully understand its use and function. I have received satisfactory answers to any questions I may have regarding the equipment and I will stop using the equipment and have it inspected, repaired or readjusted by a binding technician if I feel that it is not functioning properly.
- I have made no misrepresentations to the rental shop concerning height, weight, age, skier type, experience or other information requested.
- If I am renting skis, my signature on this form affirms that I have verified that the visual indicator settings on this form (if any) agree with settings on the equipment provided to me.
- I accept and clearly understand that skiing, snowboarding, snowblading and the use of snowplay devices are **HAZARDOUS** and could cause **INJURY OR DEATH**, and that there are inherent and other dangers and risks involved in the activities, including without limitation: changing weather conditions; existing and changing snow conditions; bare spots; rocks; stumps; trees, collisions with natural, or man-made objects or other skiers/ snowboarders/ snowbladers; variations in terrain; and the failure of skiers/ snowboarders/ snowbladers to ski within their own abilities, that injuries are a common and ordinary occurrence of the activities, and I **FREELY AND VOLUNTARILY ASSUME THESE RISKS**.
- FOR SKIERS: I understand that the ski/boot/binding system will not release at all times or under all circumstances where release may prevent death, or injury to the skier, nor is it possible to predict every situation in which it will release, and it is, therefore, no guarantee of my safety.
- FOR ALL OTHERS: I understand that snowboard/ boot/binding, ski blade/ boot/ binding, Nordic ski/boot/binding systems are designed as non-releasing systems, and will not ordinarily release during use, and are no guarantee of my safety.
- I understand that recreational activities involve inherent and other risks of **INJURY and DEATH. I voluntarily agree to expressly assume all risks of injury or death** that may result from participation in recreational activities, which relate in any way to the use of this equipment, or from any other activity at this ski/recreational area, including the use of lifts or aerial tramways. **I AGREE TO RELEASE** Loon Mountain Recreation Corporation, its parent, subsidiary, affiliated and successor companies, real and personal property owners, employees, agents, officers, directors and any equipment manufacturers, program sponsors and distributors (collectively "RELEASEES"), **from all liability for injury, death, and property loss and damage that results from participation in recreational activities, is in any way related to use of the equipment, or is related to any other activity at this ski/recreational area including all liability that results from the NEGLIGENCE of RELEASEES, or any other person or cause.**
- I further agree to **DEFEND, INDEMNIFY and HOLD HARMLESS** RELEASEES for any loss or damage arising from claims or lawsuits for personal injury, death, and property loss and damage related to use of this equipment, participation in recreational activities, the use of lifts or aerial tramways, or from any other activity at this ski/recreational area. I authorize RELEASEES to administer first-aid, as they deem necessary.
- I authorize my transportation to a medical facility at my expense, if deemed necessary by RELEASEES. I acknowledge this agreement is governed by the applicable laws of the State of New Hampshire. I further agree that any action relating to or arising out of this agreement must be brought in the state or federal courts of New Hampshire. If any provision of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect. I intend this document to be interpreted as broadly as permissible by New Hampshire law and understand that it is not intended to assert any claims or defense prohibited by law.
- I understand that a rental helmet is available for myself and/or my child(ren). I acknowledge that no helmet can protect the wearer against all possible or foreseeable impacts and injuries to the head. Reasonably foreseeable impacts may exceed the capabilities of the helmet to protect against injury. The helmet is designed to offer added protection to the head and cannot guard against neck, spine or other bodily injuries that may result from a ski or snowboard accident. Therefore, I acknowledge that the use of a helmet does not and cannot guarantee my safety or the safety of my child(ren) and may not prevent or reduce some types of serious injuries or death.

I have confirmed that the fit and sizing of my rental equipment has been done in accordance with the available measuring devices. I have received instruction in its use and the fit is snug, yet comfortable. I understand and agree that in order to function properly, the helmet's chin strap must be buckled at all times while engaged in snow sports activities. I further understand that at speeds greater than 13 miles per hour, the helmet may not provide adequate protection against a serious head injury, if the head directly contacts a fixed object.
